

Krushitech Pvt. Ltd. - Business Plan

Executive Summary

Krushitech Pvt. Ltd. is a vertically integrated onion production and distribution company based in India. With vast self-owned farmlands and a robust supply chain, we aim to serve both domestic B2B clients (hotels, wholesalers, supermarkets) and international markets through bulk export. Our mission is to deliver farm-fresh onions with consistent quality, competitive pricing, and professional logistics.

Business Objectives

- Dominate onion supply in Maharashtra and expand to PAN-India B2B clients.
- Export to Middle East, Southeast Asia, and Europe.
- Build a recognizable brand in agri-export.
- Set up cold storage and sorting units near farm hubs.

Products

- Fresh Red Onions (Nasik variety, 25mm+ / 55mm+)
- White Onions (for export-specific needs)
- Customized Packaging: 5kg / 10kg / 25kg / 50kg mesh bags
- Optional: Onion Powder (future processing plan)
